Attention: 

25X1

Subject: Contract No. XG-1995

Gentlemen:

Upon receipt of your letter of June 23, 1958, the information was relayed to the user of the sodium borohydride with a request that another analysis be made.

A report of the re-analysis shows that the assay of purity as set forth by you in the June 23 letter is substantially correct. Thank you for your forbearance in this matter.

Very truly yours,

Distribution:
